TWELVE CLUBS, INC.**

49th Annual Florida State Convention December 5, 2011

The Waterfront Inn in the Villages

The Florida State 49th Annual State Convention will be held on Monday December 5th 2011 at the Waterfront Inn in the Villages

During visitations and communications of late and questioning you the officers, members and ladies of the Florida State Masonic High Twelve Clubs – it became overwhelming and evident that most if not all expressed an interest in the end of three and four day State Conventions – not only due to time – travel and especially the cost in today’s economy but the necessity of such a prolonged event – the other supporting factor was the recent results of the one day Annual Florida State Masonic High Twelve Day – in 2010 the attendance was 175 and in 2011 the attendance was 135 – whereas our three Day Florida State Masonic Conventions have been lucky to draw sixty, excluding guests, friends and dignitaries

Your opinions, suggestions, concerns and voice has been heard

Thus - the 2011 Florida State Convention will be a first - **ONE DAY EVENT** – held as centrally located and convenient to the twenty one High Twelve Clubs as possible

As can be seen the location has a wonderful atmosphere and is in the finest area - the cost is quite reasonable to stay overnight if you wish and for the Grand Masters banquet – also other meals and options as can be seen by the attached details and registration forms in an effort to offer the most reasonable cost to all that attend - within a one block walking distance of The Waterfront Inn with its great amenities as will be seen in the brochure is only a city block from The Market Towne Square with nightly entertainment,

music, dancing, shops, cafes, coffee houses, restaurants, outside patio libations stations, boat rides on the lake, movies, Barnes and Nobles Book stores, etc. Many other area points of interest, activities, dining, etc are available and can be found at the Waterfront Inn tourist table and concierge all for your extended pleasure if you so wish – a couple examples are – the Lake Ridge winery – The Austin horse and carriage museum that has no equal –
