Variation #3

(This copy is for the Installing Chaplain to read)

OPENING PRAYER

Grant, O Lord, that the Brothers who are about to be installed as Officers and Directors of this High Twelve Club may be imbued with wisdom to perform properly the duties of their responsibilities. Guide all Members of this Club in their duties as Masons and as High Twelvians. Help us all to keep Thy faith, to walk in the light of Thy Law, and to do Thy Commandments, inspire us with reverence for Thee and a greater love for one another. We pray in Thy name. **Amen.**

CLOSING PRAYER

Great Architect of the Universe, we invoke thy blessing at this time. May these Brothers who have been invested with the government of this Club be given wisdom to lead, strength to support the laws, and the understanding to direct all proceedings to Thy glory. That all we do may be acceptable unto Thee. **Amen.**
